Honourable John C. Crosbie  
Minister of Transport  
House of Commons  
Ottawa, ON  
K1A 0A6

ATTENTION: Karen Mosher, Policy Advisor.

Dear Sir:

Thank you for replying to my letter.

Your intent to understand the issues completely through the reading of my letter to the former Minister of Transport are admirable and you are an obvious credit to the Ministry. I commend you.

If I may, I would like to extend some condensed thoughts on the core of the issues.

When the intellect of the technical mind comes into conflict with the intellect of the business mind in a technological society, it would serve the well being of everybody that the courts give some legal status to the former.

It is unfortunate that the office of the Minister is going to bypass an opportunity to give legal protection to the responsibilities of licenced personnel in the aviation industry throughout Canada.

Your comments are invited.

Sincerely,

Martin J. Doyle
